STAT

Subject: Security Committee Charter

Dear [redacted]

STAT

In reference to your memorandum SECOM-D-157, dated April 23, 1982, concerning the draft revision of the SECOM Charter, the following alternative wording for new paragraph 2.c is submitted:

"c. On behalf of the DCI, request and coordinate preliminary investigations by Intelligence Community components of unauthorized disclosures or compromises of classified intelligence prior to the referral of these matters to the Justice Department; and determine and recommend corrective security measures needed to reduce the future likelihood of such disclosures or compromises."

This version of paragraph 2.c has been coordinated with the Department's Office of Intelligence Policy and Review and the Criminal Division. It is the Department of Justice's position that this suggested wording clarifies the division of responsibilities between the SECOM and the Department in the investigation of unauthorized disclosures or compromises.

If you have any questions, or would care to discuss this matter further, please do not hesitate to contact me on 633-2094.

Sincerely,

[redacted]
